ORGANIZATION OF WORKSHOPS AND SCIENTIFIC MEETINGS

- AlpPop 2018 - *The Alpine Population Conference*, January, 14-17, 2018 la Thuile, Italy (co-organizers Arnstein Aassve, Massimo Anelli, Gina Potarca)
- Conference *Advancing Life Course Theories and Methods: Key Challenges and Solutions*, February 9-10, 2017, at the Hansa Wissenschaftskolleg, Delmenhorst, Germany (co-organizers : Johannes Huinink and Richard Settersten)
- AlpPop 2017 - *The Alpine Population Conference*, January, 15-18, 2017 la Thuile, Italy (co-organizers Arnstein Aassve, Massimo Anelli, Gina Potarca)
- Symposium *Multidimensionality of well-being and spillover effects*, October 5-8, 2016, at the SLLS Annual conference, University of Bamberg, Germany
- AlpPop 2016 - *The Alpine Population Conference*, January, 26-29, 2016 Villars-sur-

- Ollon, Switzerland (co-organizers Arnstein Aassve, Michele Pellizzari, Domenico Tabasso)
- Workshop *Lone Parenthood*, April 9-10, 2015, University of Antwerp, Belgium (Co-organizer : Dimitri Mortelmans and Ornella Larenza)
 - International Workshop *Beyond Methodological Dualism: Combining qualitative and quantitative data* February 9-10, 2015, Bielefeld, Germany (Co-organizers : Andrea Hense, Ingrid Tucci and Michael Grüttner).
 - AlpPop 2015 - *The Alpine Population Conference*, January 25–28, 2015 La Thuile, Aosta Valley, Italy (co-organizers Ross MacMillan, Arnstein Aassve, Michele Pellizzari, Domenico Tabasso)
 - Session *Family diversity and family change: implications for private and public spheres*, at the Swiss Sociological Association Conference, Lausanne June 2015 (co-organised with M. Voorpostel, and V.-A. Ryser)
 - International Workshop *Lone Parenthood in a Life Course perspective*, 6-7 June 2014 University of Lausanne (co-organizers Pasqualina Perrig-Chiello, Ornella Larenza)
 - Session on the *Transition to Adulthood of the second generation migrants* at the 27th IUSSP General Conference, Busan, South Korea, August 26-31, 2013
 - International Workshop *Methodological and Substantive Challenges in Measuring Vulnerability Across the Life Course* 18-19 June 2012 University of Lausanne (co-organizers Claudio Bolzman, Michèle Ernst Staehli, Dominique Joye, Jean-Marie LeGoff, Davide Morselli, Michel Oris, Caroline Roberts, Boris Wernli)
 - Workshop *Mixed methods*, University of Lausanne May 25th 2012 (Co-organizers C. Hummel and Nasser Tafferant)
 - Workshop *Methodological Challenges in the Study of Migrants' Transition to Adulthood*, University of Lausanne, May 30-31 2011 (co-organizers C. Bolzmann and J-M. Le Goff)
 - Session on Life Course Analysis, University of Lausanne, during the 6th “Conference on Panel Data Users in Switzerland”, 7-11 June 2011.
 - Symposium *LaFamily.ch 10 ans déjà ! Et la famille dans 10 ans ?* 18 novembre 2010 – Université de Lausanne. Co-organized with Roselyn Grob (LaFamily.ch)
 - Workshop *Mixed-Methods Approaches to Ego-centred Networks*, June 2010, Riva del Garda. Co-organized with Betina Hollstein (Hamburg University) at the XIV-ISNA Sunbelt Meeting.
 - Workshop *Understanding European Living Arrangements: Perspectives from Anthropological Demography*, 18-19 December 2009, London. Co-organized with Ernestina Coast (LSE) at the London School of Economics.
 - Conference *The persistence of the Past: tracing European fertility*, 25-27 May 2009, Rostock. Co-organized with J. Goldstein (MPIDR) and C. Wilson (VID)
 - Workshop *Mixed-Methods Approaches to Ego-centred Networks*, March 2009, San Diego. Co-organized with Betina Hollstein (Hamburg University) at the XIV ISNA Sunbelt Meeting.
 - Workshop *Beyond national boundaries: migration and transnationality in Europe*, 13-14 December 2007, Paris. Co-organized with C. Rossier (INED) at the INED.
 - Symposium *The Demography of Europe*, Rostock 8-9 November 2007. Co-organized with G. Neyer (Max Planck Institute for demographic Research), H. Kulu (University of Liverpool), G. Andersson (Stockholm University), and C. Bühler (Max Planck Institute for demographic Research) at the Max Planck Institute for Demographic Research
 - Conference *Kinship and Social Security in Europe*, Halle 1-3 November 2007. Co-organized with P. Heady (Max Planck Institute for Social Anthropology), H. Granditz (University of Graz) M. Schnegg (University of Hamburg) M. Kohli (European

- Institute) at the Max Planck Institute for Social Anthropology
- Workshop *Changes in living arrangements and family relationships in the context of strong family ties*. Southern Europe and Eastern Asia: Trends, causes, and consequences, Rostock 20-21 April 2007. Co-organized with G. Dalla Zuanna (University of Padua) at the Max Planck Institute for Demographic Research.
- Ad hoc meeting of the Deutsche Gesellschaft für Soziologie: *Familiengründung in unsicheren Zeiten - Family formation in uncertain times: flexibility, mobility, precarious work and reproductive behavior*, Kassel, 9-13 October 2006. Co-organized with: A. Klärner and S. Keim at the 33rd Congress of the Deutsche Gesellschaft für Soziologie
- Debate *Should governments in Europe push much more aggressively for gender equality to raise fertility?*, Rostock 21 February 2006. Co-organized with P. Hetze (Rostock Centre for Demographic Change) at the Max Planck Institute for Demographic Research.
- Round Table *Changing Relationship between Work and Family Life*, for the European Project Job Instability and Family Trends (J.I.F.T.) 24th November 2006 (in collaboration with the Rostocker Zentrum for Demographic Change)
- Workshop *The anthropological demography of Europe*, 30 September – 1 October 2005, Rostock. Co-organized with I. Hutter (Groningen University) at the Max Planck Institute for Demographic Research.
- Workshop *Qualitative methods in demography*, Philadelphia 30 March 2005. Co-organized with E. Schatz (Colorado University) and N. Luke (Brown University) at the Population Association of America Annual Meeting.

ACADEMIC AWARDS

- | | |
|-------------|---|
| 2002 – 2003 | Mellon Foundation Postdoctoral Grant at the Population Study and Training Centre, Brown University, Providence, USA. |
| 1999-2002 | Graduate Student Stipend by the Italian Ministry of Research and University, Erasmus scholarship, University College Dublin, Dublin, Ireland. |

TEACHING ACTIVITIES

Undergraduate courses (regular semester courses)

- Migration and the Life Course, Seminar, University of Lausanne (BA course, Social sciences)
- Transition to parenthood Seminar, University of Lausanne (Master Course Social Sciences)
- Interdisciplinary Approaches to Life Course studies (B.A Course Social Sciences)
- General Sociology – Course, University of Lausanne (B.A. Course Social Sciences)
- Theoretical Approaches to Fertility, Max Planck Research School of Demography (M.A and doctoral students)
- Qualitative Social Network Research Practice, Rostock University (B.A. course Social

Sciences).

- Measures and Models of Demography, University of Rostock (M.A. course Demography and Sociology)
- Anthropological Demography – Seminar, University of Rostock, (M.A. course Demography and Sociology).
- Anthropological Demography – Exercises, University of Rostock, (M.A. course Demography and Sociology).
- Special procedures of data analyses – Seminar, University of Rostock (M.A. course Demography and Sociology).

Short Undergraduate courses

- Theoretical Approaches to Fertility and Family dynamics, Cagliari University (undergraduate students, 12 hours, Jan 2009)
- Theoretical Approaches to Fertility and Family dynamics, Cagliari University (undergraduate students, 8 hours, May 2007)
- Comment intégrer approches quantitatives et qualitatives dans les recherches en sciences sociales (Integrating qualitative and quantitative approaches in social sciences), Centre lémanique d'étude des parcours et modes de vie (Pavie), Université de Genève, Genève, Switzerland (graduate students, 8 hours, June 2006)
- Training Workshop on Qualitative Research Methods, Groningen University (graduates and postgraduates, 20 hours, October 2003).
- Qualitative Methods in Demographic Research, University of Padua (graduate students, 8 hours, September 2003).

Long Graduate courses (regular semester courses: 4 hours per week for 12 weeks)

- Measures and Models of Demography, Max Planck Research School of Demography (Winter Semester 2006/7)
- Theoretical approaches to fertility, Max Planck Research School of Demography (Winter Semester 2005/6)
- Logics of family dynamics and fertility, Max Planck Research School of Demography (Winter Semester 2004/5)
- Qualitative research in demography, Max Planck Research School of Demography, for doctoral students (Winter Semester 2004/5)
- Qualitative research in fertility studies, Max Planck Research School of Demography (Winter Semester 2003/4)

Short Graduate courses

- *Integration, Life Course and Intergenerational Processes*, University of Lausanne May 19-20, 2014 (with Claudio Bolzman and Jean marie Le Goff)
- *Mixed Methods: Fieldwork challenges and practices*, Château de Bossey, 25 May, 2012 Nyon (with Cornelia Hummel and Nasser Tafferant)
- *Mixed methods*, University of Lausanne (coordination with Eva Green), Doctoral School in Social Psychology and PaVie/LIVES (12 hours, 2011)
- *Life course: a theoretical state of the art*, University of Lausanne (coordination with Dario Spini), Doctoral School PaVie, University of Lausanne (8 hours 2010)
- *Mixed-Methods Approaches to Ego-centred Networks*, Workshop at the Sunbelt Meeting Riva del Garda, Italy (8 hours, June 2010) with Betina Hollstein
- *Mixed-Methods Approaches to Ego-centred Networks*, Workshop at the Sunbelt

- Meeting San Diego, USA (8 hours, March 2009) with Betina Hollstein
- *Research on fertility family and networks: theoretical and methodological aspects*, Dresden Leibniz Graduate School, University of Dresden (6 hours, July 2009)
- *Social networks analysis* (coordination), Doctoral School PaVie, University of Lausanne (8 hours 2009)

Supervision of doctoral dissertations

Currently under supervision:

- Vanessa Brandalesi: (working title) *Être femme et sans enfants en Suisse* (Université de Lausanne, PhD foreseen in Autumn 2016)
- Andrés Gomensoro: *Processus de sélection des formations post-obligatoires des descendants de Kosovars à Genève et à Lausanne* (Université de Lausanne, PhD foreseen in Spring 2016) with Claudio Bolzmann
- Andrés Eder Guarín: *Entrée dans le monde professionnel pour la deuxième génération de migrants: Etude comparative du capital social d'une cohorte scolarisée en Suisse* (Université de Lausanne, PhD foreseen in Spring 2016)
- Raul Burgos Paredes: *Ecuadorian immigration in Switzerland. Transnational social networks; social capital and its influence on structural and socio-cultural integration* (University of Lausanne, PhD foreseen in 2016)
- Ornella Larenza : *Family Form versus Family Substance : An Empirical Study of the Role of Social Policies in Lone Parents' life course* (Université de Lausanne, project submission in Fall 2014, PhD foreseen in 2018)
- Aurore Moullet: *What parents do for their children? An analysis of the articulation between aspirations, resources and strategies of immigrants' parental investment in Switzerland* (Université de Lausanne, project submission in Fall 2014, PhD foreseen in 2018-9).
- Dorian Kessler: *Scheidung als Soziale Risiko* (Université de Berne, PhD foreseen in 2017, co-supervisor Prof. Benn Jann).
- Markus Klingel: *Negotiating the Life Course : Dyadic Life Course Decision Making and Limits of Agency in Postmodern Times* (Univeristy of Bremen, PhD foreseen in 2018, co-supervision Prof. Martin Kohli, Prof. Johannes Huinink).

Supervised and completed dissertations:

- Dr. Isabel Valarino: *Le congé-paternité redéfinit-il les rôles parentaux ? Mises en place, usages et appropriations du congé-paternité en Suisse* (University of Lausanne, PhD defended on the 17.03.2014 with the compliment of the jury)
- Dr. Sylvia Keim: *Social influence and family formation: a qualitative study in Lübeck*, Universität Rostock and Independent Research Group on The Culture of Reproduction, Max Planck Institute for Demographic Research (Summa cum laude, defended on the 21st of December 2009 co-supervisor Peter Berger, University of Rostock).
- Dr. Monika Mynarska: *Reconstructing the individual fertility decision-making in Poland*, Warsaw School of Economics and the Independent Research Group on The Culture of Reproduction, Max Planck Institute for Demographic Research (Magna cum laude, defended on the 30th October 2009, Co-supervision Heike Trappe, University of Rostock).

- Dr. Christin Schröder: *Cohabitation in Italy*, Universität Rostock and Independent Research Group on The Culture of Reproduction, Max Planck Institute for Demographic Research (Summa cum laude, defended in July 2009, co-supervisor Peter Berger, University of Rostock)
- Dr. Arianna Caporali: *Processes of integration and coexistence. An analysis of the press dedicated and directed to the foreign migrants in Italy* (Processi di integrazione-coesistenza. Un'analisi della stampa diretta e dedicata agli immigrati stranieri in Italia), University of Rome La Sapienza (defended on the 3rd of December 2007, co-supervisor Antonio Golini, Università di Roma "La Sapienza").

Other supervision and mentoring

- Postdoctoral fellows: Dr. Claudia Riecksiedler (2016-present) Dr. Gina Potarca (2015 - 2017) Dr. Emanuela Struffolino (2014 - 2016) ; Dr. Nasser Tafferant (2012-2014) ; Dr. Doris Hanappi (2011-2013)
- Supervising final theses for M.A. and B.A. students of the Universität Rostock (2005-2009) and the University of Lausanne (since 2009 to present)
- Mentoring course projects of doctoral students enrolled in the International Max Planck Research School of Demography (2003-2009)

PROFESSIONAL MEMBERSHIP (past and present)

- Member of the *Swiss Sociological Association* (SSA)
- Member of the *Population Association of America* (PAA)
- Member of the *European Association for Population Studies* (EAPS)
- Member of the *International Union for the Scientific Study of Population* (IUSSP)
- Member of the German Sociological Association - *Deutsche Gesellschaft für Soziologie* (DFG)
- Member of the *Demography Co-ordination Group* - Gruppo di coordinamento per la demografia (GCD)
- Member of the *Italian Statistical Association* - Società Italiana di Statistica (SIS)
- Research associate of the *Rostock Centre for Demographic Change* (RZDW)
- Member of the Association de démographes de langue française (AIDELF)

OUTREACH AND KNOWLEDGE TRANSFER ACTIVITIES

- Interview with the scientific magazine *In Vivo*, sur la baisse de la fécondité en Europe April 2017 (p.23)
- Bernardi, L. (2016) « Gender Equality for Men » in *Population Insights*, 4 June 2016, (available at : <http://www.population-europe.eu/population-insight/population-insights-no-04>)
- Bernardi, L. (2016) « On a tightrope. Observing the difficult balance between all life domains: the multidimensional approach », in *Downs and Ups. Visual Insights into Vulnerability and Resilience during the Life Course*, Snoeck Publishers (2016)
- Struffolino E. and L., A. Bernardi, (2016), One-parent household over time: continuity and change in Switzerland, in *Démos*, OFS, Neuchatel
- June 25 2015, Group Discussion : *Vulnerable Families*, with seven governmental and

non governmental stakeholders, Bern (report available on the LIVES web page in Fall 2015).

- Bernardi, L., A. E. Guarin, and M. Burkmisher (2016), First and second child among immigrants and their children in Switzerland, in *Démos*, OFS, Neuchatel
- Potarca, G. and L. Bernardi (2016) « The Occurrence, Timing, and Stability of Mixed Unions in Switzerland » in *Démos*, OFS, Neuchatel.
- Interview « La Galère des Familles Monoparentales » *La Liberté*, December 2015
- Short text on the « Modèles familiaux en Suisse », Bulletin of the Swiss Academy for Humanities and Social Sciences (AHSS), janvier 2015.
- Organization and moderation of the Forum « Famille en mutation et monoparentalités : le point de vue des professionnel-le-s », November 2014, Université de Lausanne (<http://www.lives-nccr.ch/fr/actualite/couple-invite-surprise-et-omnipresent-du-forum-sur-monoparentalite-n1307>)
- Interview on Quand les scientifiques s'en prennent aux mythes sur la fécondité (19/03/2013) - *CQFD La Première*, RTS
- Interview, « En Europe, les femmes ont des enfants de plus en plus tard », *Cooperation* (03.2012)
- Interview portrait, « l'art de concilier l'inconciliable », UNIL (<http://www.unil.ch/getactu/wwwweuresearch/1329076168960/>)
- Interview, « La Suisse devra repenser la notion même de famille » *Cooperation* (09.2011)
- Interview on the concept of emerging adulthood, with the *Le Temps* (9.10.2010). Article «Les «vingtenaires» font durer le plaisir» (by Anna Lietti)
- Bernardi, L., Pourquoi l'Etat emploie-t-il des étrangers à l'aide sociale? Book Review of Who needs migrant workers? Labour shortages, immigration and public policy, Martin Ruhs and Bridget Anderson (Eds), Oxford University Press, 2010, 335 pages, *Le Temps* (5. April 2011)
- Interview on Late motherhood, with the *Television Suisse Romande TSR* (18.10.2010). Les Infos 19:30 Grand Format, *Les grossesses tardives se multiplient en Suisse*.
- Personal portrait interview with the *Max Planck Forschung Journal*, February 2007
- Interview for the Video Documentary *Why do people have children?* June 2006
- Interview with the Deutsche *Universitätszeitung*, May 2004

WORKING LANGUAGES

Italian (native speaker), English (excellent reading, writing and speaking), French (excellent reading, writing, and speaking) German (good reading, fair writing and speaking), Spanish (good reading, basic writing and speaking)
